

SUMEET RASTOGI

Enterprise Applications & HR Technology Leader

Director - Delivery | Digital Transformation | AI-enabled Enterprise Delivery

MODERNIZE. MOBILIZE. SCALE.

Building the operating system behind transformation: strong architecture, capable teams, disciplined governance, and trusted customer outcomes.

PROFILE

Sumeet Rastogi is an Enterprise Applications and HR Technology leader serving as Director - Delivery, where he leads India capability growth and global execution for a Workday Integrations practice. With 10+ years of experience and more than 100 enterprise integrations delivered, his work spans digital transformation, enterprise architecture, customer success, practice leadership, managed services, and AI-enabled delivery.

Sumeet is focused on building the operating system behind transformation: high-performing teams, clear governance, reusable capability, resilient architecture, and trusted executive communication. Workday is a core area of platform depth within his wider enterprise technology leadership portfolio.

He is part of the 2026-27 ISB PGP MAX cohort and is expanding his leadership focus toward broader Enterprise Applications, Digital Transformation, HR Technology, and Enterprise AI mandates in the global market.
